Sohit Prajapati

sohit9865@gmail.com | +91- 8882278139

Summary

Dedicated and dynamic BCA student with a passion for web development, currently leveraging academic knowledge and practical experience to excel in the field. Equipped with strong problem-solving skills and a keen eye for detail, adept at crafting engaging and user-friendly websites.

Skills

Language   -- C++, JavaScript, HTML, CSS.
Framework -- Bootstrap, NextJS, ExpressJs, React .
Database   -- MongoDB .

Projects

- TODO Task Manager App (React):
  Developed a comprehensive task manager application using React, enabling users to efficiently organize and prioritize their tasks. Implemented features such as task creation, deletion, editing, and categorization, enhancing user productivity and organization.

- News Web App (React):
  Designed and implemented a responsive web application using React to provide users with real-time news updates. Integrated APIs to fetch and display news articles, allowing users to customize their news feed based on preferences. Implemented features for easy navigation and seamless user experience.

- Doctor's Appointment Booking System (MERN Stack):
  Led the development of a robust appointment booking system for healthcare professionals using the MERN (MongoDB, Express.js, React, Node.js) stack. Designed a user-friendly interface for patients to schedule appointments, manage medical records, and receive reminders. Implemented secure authentication and data encryption to ensure patient confidentiality.

- TextPlayer Web App (React):
  Created a versatile web application using ReactJS, empowering users to manipulate text efficiently. Implemented features such as word count, character count, and removal of extra spaces to enhance text clarity and readability. Designed an intuitive user interface for seamless interaction and improved productivity.

- Portfolio Website (HTML, CSS, JavaScript):
  Crafted a professional portfolio website from scratch using HTML, CSS, and JavaScript, showcasing skills, projects, and achievements. Designed a visually appealing and interactive layout to effectively communicate personal brand and expertise. Implemented responsive design principles for seamless viewing across devices.
